16. INDEXING TERMS (6-12)

elementary school	language arts	science		
sixth grade	gifted children	geography		
reference books	classroom libraries	creative arts		

17. ABSTRACT (MAX. 250 WORDS)

The listed reference books have been purchased from funds allotted to the gifted program. They are loans to the school and are to be kept in the sixth-grade classroom. Thirty books are included in alphabetical order according to author. Science topics include astronomy, weights and measures, plants, physics, the sea, chemistry, biology, embryology, space science, and geology. Dictionaries, reference books, and books on words enrich language arts. Music, crafts and hobbies, and mathematics books are included. Several books deal with world geography and civilization.
